Volume 12, Number 2

San Francisco

February 19, 2019

Old winter of 2019 still with a month to go before we welcome the return of spring. In this edition, ROARSHOCK PAGE presents another *Paris Cut-Up* by D. A. Wilson.

PARIS CUT-UP #4

PAGE February 2, 2000, WRAPT IN HIS GUITAR. The smoke rolled in clouds up, over and above the rows of dark wood tables. They sat over their drinks born in London while in Massachusetts mistakes on 10 days and October 4, 1582. The ROARSHOCK self-delusion? Lost in the poem, the life into chaos noon before North Beach Station. ROARSHOCK <http://www.roarshock.com>. Subscriptions \$10 per published by: Golden Land Information North Beach Station, PO Box 330108, San Francisco, CA 94133, email goldenland. Copyright © 2000 experience smell, taste sensibilities will continue with the machine, will increase as assimilated. All human speculation and theory until it can perform all without need of a time we we will be very -- as witnesses at least -- just about figured visitors, we some tactics pretty gnarly shit going on gassing people in the streets, state of emergency calling out National Guard rubber bullets and live coverage beaming conveniently into your living room, man, I'm on the front lines drinkin' having a great old time only in America peace and love. Two two has the twos, and crashing of all anticipated measurement cultures. England was 27 years public school in Boston, MA. February CANDLEMAS GROUNDHOG DAY James Joyce born in 1882, but we need for understanding for truth. Berkeley the head o go on. Christ, but the noon all alone a sun in a red flammng glow with an ununderstood know they tried to put into words and failed miserably. Each put his weaknesses on and hid behind them. Each frowned behind the lines. The man with the guitar got up on the stage and tuned them in. That will be in use both sooner than we expect. Companion the telephone -- television -- storage units we now use futique component the trail human's chief tool of receiving. The Companion Daniel Patrick Wilson, Port Townsend, WA, Nov. 30, 1999. The year 2000. All those exercise on irresistible century -- the end of like then? What changes this most interesting date? The curtain of time, just what sort of future lurking in the here and now? Our being able to increase fast enough to

solve the inventions before these terrestrial first Cybernauts will have time. I hope that I live to 1987. Joshua "Emperor" Norton. Apache Chief Geronimo, captivity at Fort Sill, OK. Malcolm X was shot delivering a speech. W. E. B. DuBois was born. Pope Gregory XIII correct the Julian calendar by drop directing that the day after would be October 15 PAGE. Gung Hay Fat Choy to failure or Stan Cardinet. FUTURE does not come can be programed with movies, music, libraries, information, computer holographic image and end of a room in home or image in open air in the typolator will be accessed voice, or by other means. Doubtlessly technology quality of the images and play a solo show at February 15, 1980 feel compassionately watch of course it all depends on our intelligence/technology problems created by problems devour us. Difficulties are resolved, migrate into space, create their escape, experience it in a row seen to 2000 A.D., the end of what will life occur between now and there, any way for us to lift and take a peek to see up ahead? Vince Welnick was Lunar New Year of the Dragon JTEL's DAY. William S. Burroughs was Ronald Reagan was Charles Dickens was born in South Africa, released from prison after Boston Latin School was established. The Western Calendar, world standard in measuring time, rolled over from the ones to universal doom and destruction and the computers did not come to pass as feared. Meanwhile, in the far older Chinese and other Far Eastern Eve of the Lunar New Year ending clarity words, Gregorian calendar. The Communist Manifesto. Karl Marx. ROARSHOCK PAGE D. A. Wilson's chapbook, *First Hours and Other Poems* available from Gold. ROARSHOCK PAGE, the complete available in a special edition from Gold was published will be of a Rainy Day. And loneliness -- Everything changing, going. What am I going, I'm scared of what happened, Martinez, in your eyes meaning more potent than simulations of the other sensor and touch. The Cybernaut's to grow through symbiosis depth of the companion's more and more information recorded achievements will eventually be included. The brain will further functions of the Companion mechanical device by this experienced at time travel and will have physical out. We will be the blue lines flickered all about. They did not need to speak or meet each other's eyes wrapt in the blanket of the Old Waldorf. It begins, and to think it all started information desired and technical. It will display sounds, probably filling the models, creating an all portable ver-

sion, this by means of a keyboard continue to improve and eventually add glow. CYBERNAUT's future "multicorder" spaceside and dirtside (hopefully). The evolved form of the radio receiver/transmitter and enjoy. This Cybernaut and information sending and
